

Church of God

Scriptural References for Fundamental Doctrines

PREFACE

The Doctrine of the Church of God is based entirely on God's word, the scriptures of the bible, as God inspired the various writers to enter into the pages thereof. While the churches of the world have much tradition in their doctrine, the Church of God rejects any and all worldly tradition, adhering to the spirit of the admonition made by Jesus Christ in Mark 7:8-13, which reads:

For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition. For Moses said, Honour thy father and thy mother; and, Whoso curseth father or mother, let him die the death: But ye say, If a man shall say to his father or mother, It is Corban, that is to say, a gift, by whatsoever thou mightest be profited by me; he shall be free. And ye suffer him no more to do ought for his father or his mother; Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye.

The Doctrine of the Church of God is derived wholly from the scriptures of the entire bible, both Old and New Testaments, as the church abides by this statement, which the apostle Paul made in II Tim 3:16-17, which reads:

All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.

Please take note that at the time this statement was made, the New Testament of the bible was not yet canonized; therefore, only the Old Testament scriptures were available to people of that New Testament age.

To understand God's intent on any subject in His scriptures, one must seek His understanding through the study of all scripture, which pertains to said subject. The Church of God follows God's direction's, which are made in Isa 28:10,13 and which read as follows:

For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:

But the word of the LORD was unto them precept upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little; that they might go, and fall backward, and be broken, and snared, and taken.

God has placed knowledge a little in one part of the bible and a little in another part of the bible, so that only the judicious and studious reader will gain understanding of His truth. The Church of God endeavors to follow only the word of God in the Doctrine of the Church. The Church is always open to correction of this Doctrine; but only by the true head of the Church... the Lord Jesus Christ. The Church of God has placed its complete faith in His hands and is under His leadership!

Jesus Christ admonishes us to change no word of the bible, in this scripture from Revelation 22:18-19, which reads: *For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this*

prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.

For this reason, the Church of God will not have any Doctrine that detracts from or adds to the only authorized Word of God... the Holy Bible.
